SECTORS SERVED

- Water & Wastewater
- Steel Manufacturing & Processing
- Power Generation
- Petrochemical Refining
- Chemical Refining
- Commercial
- Higher Education
- Manufacturing

PROCESS PIPING SYSTEM SERVICES

- Installation & Repair
- Valve repair / Replacement
- Pump repair / Replacement
- Leak repair
- Chillers
- Economizers
- Tanks
- Compressors
- Blowers
- Hot Taps / Stopples
- Package Boilers

NATIONAL & AGREEMENTS

- National Maintenance Agreement (NMA)
- Powerhouse Labor Agreement (PLA)

CODE WORK CERTIFICATES

- "U" Manufacture of Pressure Vessels
- "PP" Fabrication & Assembly of Pressure Piping
- "A" Assembly of Power Boiler
- "R" Repair and/or Alteration of Boilers and Pressure Vessels
- "H" Heating Boilers

SAFETY POLICIES & PROCEDURES

- Documented Corporate Safety Policy and Program.
- JSA's for all work performed.
- Full Time Safety Director.
- Full Time Safety Supervisor.

THIRD PARTY HEALTH & SAFETY VERIFICATION PARTICIPATION

- ISNetwork
- PICS

PARTIAL CLIENT LIST

- Abbott Laboratories
- Akzo Nobel
- ArcelorMittal
- Argonne National Laboratory
- Aux Sable
- CITGO Petroleum Corporation
- Dominion Resources, Inc.
- Dynegy, Inc.
- Exxon Mobil Corporation
- Indeck Power Equipment Company
- Jones Lang LaSalle
- The Linde Group
- Mars Chocolate North America
- Metropolitan Water Reclamation District of Greater Chicago
- Midwest Generation
- Rentech Boiler
- United States Navy
- United States Steel Corporation
- Veolia Water North America
- University of Chicago
- University of Illinois
- VVF Illinois Services LLC

AREAS OF EXPERTISE

- Process Piping Systems
- Power Boilers
- Package Boilers
- Heat Recovery Steam Generators (HRSG's)
- Ductwork, Breeching & Stacks
- Pressure Vessels & Tanks
- Condensers & Exchangers
- Precipitators & Baghouses
- Fans, Blowers & Air Heaters
- Pumps
- Valves

BOILER SERVICES

- Boiler Installation
- Retubing of entire boiler, or changing of single tubes
- Replacing manway rings and refacing gasket surfaces
- Tube sheet replacements
- Tube and tube sheet repair
- Boiler washout/cleanouts
- Total boiler gasket replacements
- D/A Tank repairs
- All types of brick and refractory work

SHOP FABRICATION CAPABILITIES

- 50,000 SF Facility
- 5 Ton Overhead Bridge Crane
- Twelve (12) Welding Stations
- Pipe sizes from 1/2" to 48"
- Shielded Metal Arc Welding
- Gas Tungsten Arc Welding
- Gas Metal Arc Welding

CONDENSER & EXCHANGER SERVICES

- Washout/Cleanouts
- Gasket replacements
- Retubing entire exchanger

DESIGN CAPABILITIES

- CAD Shop Drawings
- Mechanical Coordination
- As-Built Modeling

LABOR HIRING PRACTICES

- Union
